### **RELEASE, WAIVER OF LIABILITY, ASSUMPTION OF RISK AND INDEMNITY AGREEMENT**

IN CONSIDERATION of and for the Fort Langley Youth Rowing Society ("FLYRS") permitting me to participate in rowing programs, rowing activities, events and any other activities on water or on land that FLYRS organizes,

sponsors, attends or otherwise participates in (the "Rowing Activities"), and to use the facilities and equipment available through FLYRS, I, the undersigned, for myself, and, in the event of my death or incapacity, my heirs, next-of-kin,

executors, administrators and representatives, agree with FLYRS, its directors, officers, agents, employees, coaches, contractors, members, volunteers, other participants in the Rowing Activities, regatta organizers, sponsors, advertisers and owners and lessors of any premises on which any of the Rowing Activities takes place (collectively the "Releasees") as follows:

I WARRANT AND REPRESENT, both now and throughout my participation in the Rowing Activities, that:

1. I understand that rowing shells are unstable and not designed for use in rough water conditions and that rowers face away from the direction in which they are rowing. I understand the nature of the Rowing Activities, whether occurring on water or land, and that the Rowing Activities involve danger and the risk of serious bodily injury, including but not limited to partial or permanent disability; paralysis; death; and other risks, such as social or economic loss, either unknown or not foreseeable now (collectively the "Risks"). I further understand that the Risks may arise from dangers including, but not limited to, the physical exertion involved in the Rowing Activities; carrying boats; placing boats in and lifting them out of the water and storage locations; collision with another boat, or a floating or stationary object; equipment malfunction; capsizing; swamping in waves caused by passing vessels or adverse weather; hypothermia; hyperthermia; and drowning.
2. I understand that my own action or inaction, the action or inaction of others, the conditions in which the Rowing Activities take place, or the negligence of one or more of the Releasees may expose me to danger and the Risks.
3. I am in good health and am medically fit for participation in the Rowing Activities. Without limiting the generality of the forgoing, I do not suffer from a heart condition or other ailment that participation in the Rowing Activities could aggravate. Further, either I am able to swim 50 meters immediately after which I can tread water for 10 minutes, or I hold the Bronze Cross/Medallion in swimming, or both.

I AGREE THAT:

4. I will at all times obey all safety rules established by FLYRS.
5. I am responsible for my own safety and will participate in the Rowing Activities within the limits of my abilities. At any time I believe any of the Rowing Activities or the conditions in which that activity is taking place are unsafe or beyond my abilities, I will immediately cease to participate in that activity.
6. I fully accept and assume the Risks and full responsibility for all injury, damages, loss and costs I may suffer arising from my participation in any of the Rowing Activities.

## Fort Langley Youth Rowing Society

7. I will indemnify, save and hold harmless the Releasees from any and all liability for any property damage or personal injury to the Releasees or any of them, or to any third party, resulting from my participation in the Rowing Activities.
  
8. If, despite this Agreement, I or anyone on my behalf makes a claim against the Releasees or any of them, I will indemnify, save and hold harmless the Releasees and each of them from any liability, claims, demands, loss, damages or costs which they or any of them may incur as a result of that claim.

I HEREBY WAIVE ANY AND ALL CLAIMS THAT I HAVE OR IN THE FUTURE MAY HAVE AGAINST THE RELEASEES AND RELEASE AND FOREVER DISCHARGE THE RELEASEES and each of them from any and all liability for any loss, damage, expense or injury, including death, that I or any of my next-of-kin may suffer arising from my participation in the Rowing Activities due, or alleged to be due, to any cause whatsoever, in whole or in part, including but not limited to negligence, breach of contract, breach of any statutory or other duty of care, including any duty under the Occupiers Liability Act, of the Releasees or any of them, and further including but not limited to failure on the part of the Releasees or any of them to safeguard and protect me from the Risks and the dangers of the Rowing Activities, and negligence in any rescue operations any of them may undertake.

I have read this Agreement. I fully understand its terms and that I have given up substantial rights by signing it. I have signed this Agreement freely without inducement or assurance of any kind. I intend it to be a complete and unconditional release of all liability.

## **Safety Code**

**All registrants and their parents must review the following Safety Policy and return the signed form before the rower can participate in any “on water” activity.**

- 1) All registrants **must** be able to swim 50 meters in light clothing. Immediately after they must be able to tread water for 10 minutes and must be sufficiently at ease in the water not to panic. By signing this form the registrant and their parent(s) acknowledge that this is true.
- 2) Training sessions will begin promptly, at the scheduled time. Coaches may decide not to boat rowers who arrive late. Coaches will not be responsible for onshore supervision of late arrivals.
- 3) Each rower must have a whistle attached to their person prior to leaving the shore.
- 4) Rowers must not leave the dock until the coach/safety boat motor is running. They must not proceed beyond the pipeline signs or the bridge until accompanied by their assigned coach.
- 5) All rowers must be accompanied on the water by a coach, or approved substitute, in a coach/safety boat. Rowers on the water must remain within 300 metres of the coach/safety boat and stay in visual contact with the coach boat at all times.
- 6) Boats should stay in groups of two or more. If a partner's boat capsizes, the “buddy” boat should ensure the capsized rower(s) are safe (back in the boat or on shore) before going for help. Rowers should stay with the boat rather than attempt to swim to safety, however strong a swimmer a rower may be. The international distress signal is waving both arms over the head. Rowers should also use whistles to signal that assistance is required.
- 7) In the event that a crew must return to the dock, the crew must be accompanied by a coach. All other crews under the supervision of that coach must also return to the dock.
- 8) Rowers must familiarize themselves with docks and low bank waterfront landings in the training or racing area. In the event of a storm or other unsafe conditions, rowers should immediately proceed to a safe landing area to get themselves out of the water.
- 9) Each coach must hold a valid Pleasure Craft Operator Card and must also hold a valid First Aid Certification – St. John's Ambulance Safety Oriented First Aid or its equivalent.
- 10) Each coach/safety boat must be equipped with the following items:
  - a) PFDs of the appropriate size for each crew member on board. The coach must wear a PFD and a motor “kill switch” must be attached to the PFD and the motor;
  - b) PFDs of appropriate size for each member of the crew of the largest shell being attended;
  - c) a minimum of 5 warming blankets;
  - d) a First Aid Kit;
  - e) a buoyant heaving line of not less than 15 metres;
  - f) a watertight flashlight or a minimum of 3 emergency flares (Canadian approved of Type A, B or C);
  - g) a sound-signalling device or a sound-signaling appliance;
  - h) a bailer or pump;
  - i) one manual propelling device (e.g. paddle).
- 11) Each supervising coach must carry an operable cellular phone while rowers are on the water.
- 12) Each coach/safety boat will supervise a maximum number of 14 junior rowers in a maximum of 6 rowing shells.
- 13) Coaches are responsible for determining whether conditions are too dangerous to row due to darkness, fog, high winds, ice, cold water, storms or any other conditions which they determine may be of danger to the rowers. No rower shall be forced to row against his/her better judgement should conditions be questionable.
- 14) No morning rowing shall commence prior to daylight.
- 15) All boats must be off the water by sunset.
- 16) Rowing shall not take place in foggy conditions if visibility falls below 1000 metres.
- 17) ***I have read, understand and agree to abide by the Fort Langley Youth Rowing Society Safety Code.***
